Dates and details are subject to change and new events are often added so check the website, Facebook or call us for updates.

Downtown Denison has been named a *Great American Main Street Award Semifinalist* the last five cycles-2020, 2022, 2023, 2024, and 2025. You'll find blocks of historic buildings that accommodate unique boutiques, quaint shops, antique stores, art galleries, as well as lofts for making downtown home. Many lofts and nearby neighborhood residences have been turned into Airbnb units for a great place to stay. Downtown Denison is the perfect place for special events, entertainment, shopping, or just hanging out to eat, drink, and relax. Be sure to include a trip to one of our fine spas.

At www.downtowndenison.com you'll find a full calendar of festivals, concerts, movies, car shows, parades, and more. Come see what makes downtown Denison the heart of our community, a gathering place in all seasons, a place to connect and make memories year-round for the whole family. With over 144 pieces of public art, see our Public Art Brochure online for a map and descriptions of Denison's murals, sculptures, and public artwork.

Enjoy our free, summer *Music On Main* concerts thanks to generous local grants and sponsors. Explore our *Texas Music Friendly City*. Soak up our rich cultural heritage or expand your horizons with educational opportunities in art instruction, dance lessons, rising singer & musical performance development, and martial arts.

Discover and celebrate our early frontier history at this spring's *Doc Holliday Saints & Sinners Festival*. Learn about our origin and railroad history at the *Red River Railroad Museum*. Visit *President Dwight Eisenhower's 1890 Birthplace Texas State Historic Site* and take a walk downtown to learn more with our *Ike Hike*.

Our historic downtown is ever-changing. With Phase 1 of a streetscaping project now complete, our downtown is accessible to everyone. Phase 2 is under way. Our businesses will remain accessible, and new parking is being made available for our customers. Our events will adjust to accommodate construction.

Explore the great outdoors at *Denison Dam*, *Lake Texoma*, and *Eisenhower State Park*. Come enjoy fishing and water sports on 89,000 acres of water and you'll see why it's one of the nation's most visited lakes.

All this is just one hour north of Dallas and three hours south of Oklahoma City making Denison the perfect place to get away for a day or a weekend. Whether you are able to book one of our downtown Airbnbs or stay in our hotels, you'll find some of the newest lodging in Texoma conveniently located on Highway 75 so you can come visit, kick back, and stay awhile.
