Downtown
Mesquite
Facade
Improvement
Program

Downtown Mesquite property and business owners are now eligible for a reimbursement grant for 50% of the cost of their facade improvement project up to \$20,000

BEFORE: 214 W. Davis St.

PROPOSED: Illustration of design option

Need some inspiration to get started? Free design services are available. As a Texas Main Street community, we have access to experts who can offer advice and visuals on the most beneficial options for your storefront.

How it Works

- 1** Go online and review the full program policy at cityofmesquite.com/downtown
- 2** Meet with staff to talk over requirements and eligibility
- 3** Complete project design and application requirements
- 4** Mesquite Downtown Development Advisory Board reviews application
- 5** City Council considers application
- 6** Upon approval, construction begins
- 7** Completed project is reviewed; reimbursement sent upon approval of work
