

## **BUSINESS REGISTRATION FORM**

All businesses operating within the city limits are required to register with the City of Temple's Fire and Rescue Department. Business registration or re-registration with the City is required at the time utility service is requested for new accounts or when there is a change in name, ownership, operator, location or a change in use of an existing business. Please contact the City's Fire and Rescue Department with any business registration related questions or concerns by calling 254-298-5682.

Complete all sections of the application. Be sure the informat your application is public information. Incomplete applications
