No. MSD-16

Building Name: Eanes-Jacobson Building

Location: 113 E. Third

Date of Construction: 1911 Existing Condition: Good

Original Owner: Dr. R. H. Eanes Architect/Builder: Unknown

Description: Two story structure with rectangular plan and truncated corner entry. An example of vernacular Victorian commercial architecture with elements of the Queen Anne style in the pediment with knob and carved stone panel and in the rusticated stone of the architraves. Simple cornice is executed in terra cotta. Different brick color is used to emphasize corner detailing.

Historical Significance: A good example of a commercial Victorian structure. Originally built as a furniture store with a lodge hall on the second floor. Renovated in 1985 when glass storefront and awnings were added.
